

***Omega Crag* by Micki Bare**

Book Club Questions

Let's get the conversation started! Here are 10 book club questions for parents, teachers, librarians, book club leaders, and others to use to get tweens talking about *Omega Crag*. Choose from these or come up with your own!

1. In chapter 1, Zahra explains that scraebins who are not fairies don't treat scraebins who are born with fairy traits well. Can you think of examples of people who are treated poorly because of physical traits? Has this ever happened to you?
2. Hensley is a new fairy—one of the Trilaterian—introduced in *Omega Crag*. How is Hensley similar to Aiofe? How is Hensley different?
3. What do you predict Zahra's nightmares are foretelling?
4. How do the Rain Flowers create obstacles for Zahra? How does she overcome the obstacles?
5. How do amethyst gems and the color amethyst help Zahra along her journey?
6. What does Zahra do when troubles weigh heavy on her heart? What do you do in similar situations?
7. How do the Rain Flowers help Zahra? How does Zahra help the Rain Flowers?
8. Zahra does not trust Danni's neighbor Brant. Do her feelings change after Brant helps Danni? Do you like the Brant character better after he helps Danni?
9. Tohrma has an important decision to make. It's similar to the decision Zahra's father faced when he was young. What decision did Tohrma make and why? How was it different from the decision Zahra's father made?
10. Describe examples of hope along Zahra's journey. Do you think *Omega Crag* ends with hope for the future?
